

**Message: Where fell it**

**Texts: 2 Kings 6 verse 6**

**Bible Passage: 2 Kings 6 verses 1- 8**

AND the sons of the prophets said unto Elisha, Behold now, the place where we dwell with thee is too strait for us. 2 Let us go, we pray thee, unto Jordan, and take thence every man a beam, and let us make us a place there, where we may dwell. And he answered, Go ye. 3 And one said, Be content, I pray thee, and go with thy servants. And he answered, I will go. 4 So he went with them. And when they came to Jordan, they cut down wood. 5 But as one was felling a beam, the axe head fell into the water: and he cried, and said, Alas, master! for it was borrowed. 6 And the man of God said **where fell it?** And he shewed him the place. And he cut down a stick, and cast *it* in thither; and the iron did swim. 7 Therefore said he, Take *it* up to thee. And he put out his hand, and took it.

This story was so pathetic and thank God for his presence among the son's of prophet who brought out the Axe head that fell into the water.
