There are people that strangers are always obeying, Jesus Christ our Lord and saviour, the Apostles, men and women of God in the olden days and even in this present age.

The question I have for us today is are strangers submitting to us? In Acts 19 vs. 8-16, also in Mark 16 vs. 17-18

What are these strangers?

They are sicknesses in the body of believers

Strangers are spiritual parasites

These strangers are spirit husbands and wives

Strangers are unwanted and rebellious stronghold

They are demons in ones life

Strangers are serpents and scorpions in a life

They are the storms of live that needs to be silenced

They are evil plantations

They are situations that are not pleasing to us

They are powers of our father's house

They are spiritual wickedness in high places

Satanic marks on a life

They are the unfriendly friends

Why are strangers not obeying you?

Jesus told His disciples that things like this do not happened except by prayers and fasting (Mark 9 vs. 29) strangers are not obeying people because of the following reasons: when your spiritual life carry no fire, when you are losing touch with heaven, when you are longer connected with God, when sin is in your life, when you have no power and the spirit of God is not in you (Act 1 vs. 8), when you are neither hot nor cold (Revelation 3 vs.15-16), when you have no word in you and lastly when you are not a friend of God.

Strangers are terrible situations that if not dealt with, they will eventually deal with you if you have a sickness in your body as stranger and not properly dealt with the sickness will eventually kill the person, but before killing they will even bring in more sicknesses, if you are demon possessed and refused to cast out the demon they will eventually kill you.

Children we need the apostolic fire of God in our life's so that strangers can start obeying us,
