Sermon: Forever Oh Lord Your word is settled

Date:

Bible passages: Psalm 119 vs. 89, Psalm 138 vs. 2, Isaiah 55 vs. 8- 11

Minister: Brother Tokunbo

When the Bible says forever Oh Lord your word is settled in heaven it is settled, what does that mean, it means the word spoken by God is sure, the word is light (Psalm 119 vs. 105) it means the word surpasses other words, it means the word carry weight, it means the word is certain, it means the word is confirmed.

Now I have a question for us, Which word or report are you believing, which word is directing your life, which word are you feeding your soul with.

When situations are turning from bad to worse which word will you believe

When doctors says it is all over which report will you believe

The word came to Hannah at Shiloh through the prophet and her story change.

The Word came to the storm in Matthew 8 vs. 23- 27

The word came to the woman with the issue of blood and she was made whole

What is your situation today that is making you cry, the word will turn things around in Jesus name
