Bible Passage: 1 Kings 21 verse 1- 14

In Isaiah 44 verse 25, the Bible says according to the amplified version that [I am the LORD] who frustrate the signs and confounds the omens [upon which the false prophets forecasts of the future are based] of the [boasting] liars and makes fool of diviners, who turns the wise backward and makes their knowledge foolishness. The liars have a token which they used to perpetuate their evil acts, may the Lord scatter the token of the liars in the name of Jesus. I decree upon the network of liars around you to scatter to irreparable pieces in the name of Jesus.

Who are these liars?

- Those who sponsor falsehood
- Lovers of darkness
- Thieves

- Sorrow and discord planters

For these liars to operate, they need weapons, they need a medium examples are

- Use people in high places (connections)

These people have turn Nations and communities upside down, cause many marriages to break, made many to lose their jobs even made many not to be promoted, confused many with their tricks and even made many to die untimely. In 1 Kings 21 verse 1- end, we saw how Jezebel lied against Naboth and made him killed by the noble of the land; she said the innocent man blasphemed against God and the King and offense punishable by death. As you read on may all those inviting you to your early grave die in your place in the name of Jesus. I decree that those assisting the liars to lie against you shall all die shamefully in the name of Jesus. For God to fight for you as He did for Naboth you must be on the side of God
