- Power to lead the lost sheep back come upon me in Jesus name

Isaiah 53 vs.6, we all like sheep have gone astray, we have missed the direction, that is why Jesus came and commissioned the Apostles to go into the world and bring the lost sheep back, the sheep are suffering, they are exposed to danger of being devoured by wolves, they are exposed to been stolen by the thieves, they have wandered away and Jesus is concerned about their well-being that is why He came so that we may go into the world with power to lead back home those who have gone astray.

The Bible says John 10 vs. 10, that the thief come to steal, to kill and to destroy, but the son of man come to give life, the thief have enticed many sheep away from the pen with evil and vain promises, fake and non-nourishing foods, lies deceits etc but the real food is Jesus, the real water is Jesus that the sheep needs for their lives (Isaiah 55 vs. 1)

To bring them is to preach the good news to them,

Is to be a light for them so that they may know their way back

Is to reassure them that they would be accepted back and their sins would be forgiven

Is to tell them that the shepherd is not happy ever since they wandered away, etc

The great commission that God has given us is to go into the world and make disciples of men (Matthew 28 vs. 19-20) are you hear and not doing the right things towards bringing the lost sheep back, then think twice for if the sheep are killed by the thieves, their blood would be required of you----- rise on your feet
