In Isaiah 61 vs. 1- 3, in accordance to the Bible passage, I bring good news to the broken hearted, the heavy laden ----- for the next 4 weeks we shall be looking at what is titled the mystery of the 4p's (pit, Potiphar, the prison and the palace). In Numbers 23 vs. 19, the bible says God is not a man that he should lie, nor a son of man that he should change his mind; does he speak and then not act? Does he promise and not fulfil? Also in Isaiah 55 vs. 8- 11, meaning every words spoken by God through the scriptures, word of knowledge or prophecies shall surely come to pass.

In Genesis 37, we saw a 17 year old boy full of life and promises but something went wrong, a word from God changed the course of his destiny, the vision about his future sent him on a journey to the pit. For every word and promises of God; there are prices to pay for the fulfilment and the prices are divided into two parts, namely the pit, (which is the enemies of your father's house Matthew 10 vs. 36) The enemies of your father's house would be the first to oppose your destiny, after succeeding they would now sell the person to the enemies outside (which is the prison) the transitional period between the pit and the prison is the time when a believers after praying so hard finds some relieves and start singing all is well, now the battle is over, but forgetting the fact that the battle is still not over, you have not yet reached the final destination. Sadly many believers have settled down in Potiphar's house and have stopped moving to the prison (which is the last stage of getting to the palace) the end result of staying in Potiphar's house and accepting Potiphar's wife offer will eventually lead to death, this is where many believers are, they have accepted evil offers and have lost their destiny, they have accepted evil love as Samson accepted it from Delilah and lost his glory. After completing the prison term, then you move to the palace.

The genesis of most problems originates from the dream of a man, the dream can be the goals, plans, destiny, real dreams about something, a good example is honey, placed or hidden irrespective of the location, the ants will locate it, same with someone of a colourful dreams, destiny etc.
