The title of today's sermon is **Power must surely change hands in my life** quickly let us go into the scripture and see what happens when power surely change hands. In Esther 7 vs. 1- end, we saw a man full of power and well connected, he was so power drunk that he vowed to kill an innocent man (Mordecai) but something tragic happened in vs. 9- 10, this man made a gallows seventy –five feet tall to destroy Mordecai, but he was hanged on it. In Eccl. 4 vs. 1 (the bible talked about powers in the hands of the oppressors and the oppressed have no comforter) what a tragedy. Another example in the bible can be seen in 1 Samuel 17 vs. 41- 51 (Goliath the philistine had power but power changed hands to the hand of David)

What do we mean when we say power must surely change hands?

- It means that God will hand over your enemies to you and you will rule over them
- It means the enemies would become powerless and carry their evil load
- It means forcing the enemies to restore back what they have stolen from life
- It simply means transferring your problems over to the enemies
- It means caging the enemies
- It means taking over the control of the horse of your life from the enemies (Eccl. 10 vs. 7)
- It means having dominion and becoming untouchable for the enemies
- It means to put a permanent stop to the activities of the enemies
- It means to cancel and erase the handwriting of the enemies
- It means to flush out of your foundation and destiny satanic plantations
- It means to kill the enemies and strong man in charge of your situation

Power will sure change hands if only you are a friend of God and cry out violently. These powers will not release you from their coven unless you become violent, the prison doors will not be loosed unless you sing and pray violently (Acts 16 vs. 25-26), the grave death and hell will not release you unless fight back.

Are you here today and you marriage is being controlled by strange men and women, your finance is under demonic influence, or your case is your health, maybe is one step forward and ten steps backward. By the

power that delivered raise Lazarus from death you will recover all back in Jesus name. There is someone here today that the lord will hand over all your enemies over to you in Jesus name,

There are people here today that you marriage in under strange control, God says he would hand over your marriage back to you in Jesus name, Work, health, finance shall be handed over back to their original owners in Jesus name.
