

Sermon: Compromising Religion
Text: 1 Kings 11 vs. 1- 13, Exodus 20 vs. 4

Today we shall be looking at what is titled compromising religion, the word is now a compromising world, where holiness is no longer a watchword in the churches rather compromising has taking over. The spiritual heads are no longer speaking the truth rather they are polishing sins and compromising their faith.

Solomon compromised by allowing sacrificing to all the strange Gods of his wives, he married the forbidden and it cost him his kingdom.

God says what association has light got to do with darkness (2 Corinthians 6 vs. 14- 17)

The followings are the ways in which the Church is compromising:-

- Holiness
- Faith
- Dressing and appearance
- God's laws
- Etc

If you compromise your stand God will not only deny you on the last day but you will miss heaven (Luke 9 vs. 26)
