The Lord wants us to talk about what is titled the dirty heart. Genesis 6 vs. 5- 6 and Jeremiah 17 vs. 9, the heart of man is wicked who can understand it, since the creation of man, man's heart was polluted by Satan and ever since man has been living with the dirty heart.

What do we mean by the word dirty, it means to be unclean (and the Bible says in Psalm 24 vs. 3-4), to be dirty means to be unfit (2 Timothy 2 vs. 20) to be dirty means to be worthless, to be dirty means to be outcast or unwanted, to be dirty means irritated and disgusting.

So when the heart is dirty what are the signs and symptoms?

- Speak evil
- Loves darkness
- Promotes Idolatry
- Promotes rivalry and strive among the brethren
- Questions God authority
- Does what he likes
- Hates the truth
- Promotes gossip, back biting, envy malice etc among the brethren
- A proud look who looks down on others
- Does not fear God nor the things of God

What can cause a heart to be dirty?

- Your eyes
- Associations
- Where you go will either purifies your heart or corrupt it

Consequences of having a dirty heart

- Prolonged deliverance due to pollution
- Prolonged manifestation of the power of God
- Being in the presence of God but not experiencing his touch

What must we do?

The purer your heart the easier the manifestation of the power of God example of two glass of water one dirty and one clean and both subjected to beam of light, light would pass through the clean water and give a perfect reflection while some light rays would be absorbed by the dirty particles in the dirty water and the reflection would be distorted.

- We need to select what we feed our heart with
- Chose where you go
- Chose your friends
