- Father Lord make me a giver in Jesus name
- Father Lord fan into flame the light of kindness in Jesus name

In John 3 vs. 16, the Bible says for God so loved the world that he gave his only begotten son that whosoever believes in him will not perish but have eternal life. God loved us with all his life and cares for us, He demonstrated how we ought to love one another, and he put down a good example for us.

In James 1 vs. 27, the Bible says for the religion----- and James 2 VS. 14- 17.....meaning we must leave by examples.....

Jesus wants us to love one another, care for one another, God expects us to be our brothers keepers, God expects us to look after one another, He expects us to share each other's burdens etc.....

Are we doing like the Samaritan or are we doing like the Levite or are we doing like the priest.

Sadly in this present age people who are the custodians of the law are not doing as the word says they are too religious and self-righteous, they are ignoring the cry of the needy, they are busy with their own selfish ambitions when God says there would always be the poor among you and that you must look after them, many spiritual leaders are busy acquiring wealth and ignoring the poor, the Samaritan used all he had to secure the treatment for the man but the Priest and the Levites kept their own resources and walked away. The Bible says he who ignore the cry of the poor he too would cry but would not be answered..... there is someone in your life that is wounded that needs treatment if you ignore him and allow him to die in pains, his blood would be required of you, if you allow them to remain in their pains who would you win them over to Christ, many of us are selfish, we are crying the church is not growing who will the church grow when your attitudes cannot win animals to yourself talk less of winning a man.... On the last day God will ask you how many souls you touched, how many destinies did you changed, how many tears did you wiped off and how many dead did you raised.....

Altar call.....
