Prayers

- **Living water of God quench my thirst in Jesus name**
- **Father Lord dig your well of living water in me in Jesus name**
- **Water of God revive all dead situations in my life in Jesus name**

In Psalm 1 vs. 3, the Bible says that the righteous shall be like a tree planted by the streams of water that bears its fruits in season. Jesus is the water of life, He said in Isaiah 55 vs. 1 come all you who are thirsty come the water of life (which is Jesus)

The water restores, it revives, it cleanses, purifies, heals, etc

When there is drought and water appears, the drought disappears

When the plants are getting drier and water appears it restores life

Explain further the importance of water to Plants and animals (including man)
