Sermon: The mistakes in Churches   YET TO BE DELIVERED
Text: 1Kings 11 vs. 26- 40,   1 Kings 12 vs, 25-33

We shall be looking at what is titled the mistakes in Churches. God promised the man but the man taught he could help God by building a shrine. God promise was to make his kingdom last forever but sadly He missed it. The Church is going astray thinking by manipulating people they will be able to win their heart unfortunately the people are following deceit and all the deceitful practices instituted by their leaders, but blindly ere sinning against God not until when a man of God came from Judah to prophesy against or speak against their mistakes and atrocities (1 Kings 13 vs. 1-5)

If you point out the mistakes to people and not caught up with their gifts you have saved their blood from destructions.

God promised the Church to build his church and establish all his promises, it is up to God to fulfil his promise, you cannot help God, sadly again lots of Christians/ believers are helping God in Churches through the following ways (Christians are doing this so that their members will not leave)

1. Deceitful doctrine Jeremiah 8 vs. 10- 12
2. Not been sensitive to the voice of the Holy Spirit
3. Ignorance of worldliness within the Church Matthew 21 vs. 12-13
4. Being carried away by fat offerings Acts 8 vs. 20
5. Ignoring the cry of the needy James 1 vs. 27
6. Not been sensitive to the voice of Satan Acts 16 vs. 16-18
7. Not been sensitive to the devises of darkness Acts 8 vs. 9- 11
8. Idolatry in the Church Ezekiel 8 vs. 5- 18

God is looking for someone who will correct the Church and bring his people's heart back to him. Are you available for the master's use. In 1 Peter 4 vs. 17- 18, it is time for judgement to begin in the house of God…………………………………
