

Sermon: The power in the word of God

Text: Hebrew 4 vs. 12, John 17 vs. 17 and Psalm 29 vs. 3-5

In John 1 vs. 1, the bible says in the beginning was the word and the word was with God and the word was God. Do we believe that God is word if yes then we can proceed further?

Let us examine the following statement of facts about the word:

- If you don't know the word or have the word you are powerless and defend less
- The amount of word in you is equal to the level of your power
- Effective use of the word quickens miracles
- The word will not fail those that believe in it
- The word is the weapon needed to confront challenges and terrible situations

Benefits of having the word: since we cannot see God who is the word, but he has made provision for his manifestation through the Bible (Blessed are those who believe without seeing John 20 vs. 29).

- The word can heal
- It can revive and restore
- The word can kill
- The word makes one to be rich
- Gives revelations
- Gives power over the powers of darkness
- Can change situations
- The word can be used to fight

The word we are talking about today is God in his physical state among us which is the Bible, how many word do you know in the bible? The more you know the closer you are with the Almighty, the clearer your vision, and the quicker your miracles and testimonies.

Hindrances to the word:-

- Sin
- Worldliness e.g fashion, too busy syndrome, etc

PRAYERS:

- Powers shifting my attention away from the true word lose your hold and die in Jesus name
- Worldliness in my life die in Jesus name
- Laziness in my life die in Jesus name
