

Message: The voice that cannot be silenced

Texts: John 1 verse 23

Bible Passage: John 1 verse 19-34 and 1 Samuel 17 verse 1- end

In John 1 verse 23, the Bible says He said, I am the voice of one crying in the wilderness, Make straight the way of the Lord as said the prophet Isaiah. The prophet made mention of a kind of voice from the wilderness that could not be silenced, do you know that some voices can be in the city, in the palace and in high places but are not heard, the location was not a barrier to the voice of John, (John had no reputable personality, he was not known by the rulers and kings, he was not flamboyantly dressed but he had a voice loaded with the power and the authority of the most high God) his voice was drawing people from all over the places to the wilderness to hear the true gospel (He had a voice that no man under the sun could silence, he had a voice working like a magnet, he also had a voice that brought repentance unto the land). I have this question for you; is your voice heard by others or other voices are overshadowing yours?

In 1 Samuel 17 verse 1- end, but verses 27- 32, we saw how the voice of David was nearly silenced by the senior brother, surprisingly rather than for the voice to be killed, people rehearsed it till it got to the king's ears. I'm praying unto God for you that people around you shall be the transmitter of your voice in the name of Jesus again, those placed on your way to kill your voice shall be turned to your stepping stone to your greatness in the name of Jesus again I decree that your voice will be heard louder while alive in the name of Jesus. Goliath spoke and his voice was ended by the stone of David, I'm praying unto God that the voice of your enemies shall bow in disgrace to your voice in the name of Jesus.

What then is the voice?

- The talent deposited into your life by the Almighty God
- Your career and certificate
- Your children given you by God
- Your ministerial assignment and calling
- Your marriage
- Your health
- Business you are doing etc

Do you know that the voice of a man can be silenced? Do you know that the voice can be made powerless and irrelevant; do you also know that the voice can be caged and killed? Goliath nearly killed the voice of David but David cancelled the threat of Goliath with the authority of God. To overcome voice silencers, you must:-

- Be bold and courageous even in the midst of storms
- Never confess negatively over your situations
- Be With God always

- Never allow or accept the enemy's voice to overshadow your voice

- Train your voice for the mountain top encounter
- Ask God always to give you a voice that overshadows other voices

- Soak your voice always in and with the word of God
- Learn always to confess and meditate on the testimonies of others in the Bible

The location where you are is irrelevant for your voice to be heard

No animals can be silenced or stand at the roaring of a lion, so also your voice should be like that of the lion, your business should feed, fat and flourish like the cedars of Lebanon, your children should be like the olive tree and the works of your hands should prosper like a tree planted by the rivers of the living water.
