### **Prayers**

- If I have wandered away from your presence Father Lord let your love bring me back in Jesus name

In the passage we saw God calling out to Adam and Eve “where are you” but they were no where to be found, they were not where God expected them to be. They have wandered away from God’s divine provision into an unknown destination that God had to call and look for them. In Isaiah 53 vs. 6 a, the Bible says we all like sheep have gone astray,

There is place that God has prepared and placed everyone, and God expects to find you in that place every time. If for no reason you absent yourself from your divine destination the consequences may be devastating. There was the story of two men who were praying for power -----Go’s example, one was at the place while the other was not and when God came with the answers to their prayers, the one that was there received double portion (He received his own portion plus the portion of the one that was not there in fulfilment of the word that was spoken in Isaiah 55 vs. 10- 11 his words shall not return back to him) also in Matthew 25 vs. 1- 13, the foolish virgins were not where God expected them to be and they lost out.

What makes man to wander away? 1 Corinthians 15 vs. 33- 34

- Sin
- Lust of the world,
- Ungodly wisdom
- Problems
- Evil influence
- Evil associations etc

Sadly many people are praying and accusing other people as being responsible for their problems forgetting the facts that when the angels brought their answers they were no where to be found, are you here today and have wandered away from God’s presence? Are you hear and the lust of the world like party, etc have taken you away from God’s presence, is it your job, children, friends, etc if you are not where you are expected to be you are bound to suffer:

- spiritual attack as you would be operating under another covering
- you will suffer loss
- you will never be fulfilled as you will be walking on the wrong path
- you will sow and the seeds would be devoured
- you will cry and no one would be there to consol you

God is calling you back to return back to him Joel 2 vs. 12- 14, He is waiting to accept you back and give you a new life; he is waiting to receive you. Brethren for how long would you wait till you return back to him, are you ok with your present suffering, are you ok with the way the enemies are molesting you ? Are you ok with the way life is treating your eagle, are you ok with the way your destiny is being rubbished? Or are you tired of your situation? If you are tired and want to answer God yes I’m here rise on your feet.....
