

Message: Do something

Bible Text: 1 Samuel 30 verse 8

Bible Passage: 1 Samuel 30 verse 1- end

In 1 Samuel 30 verse 8, the Bible says "and David inquired at the Lord, saying, shall I pursue after this troop? Shall I overtake them? And he answered him, pursue: for thou shalt surely overtake them and without fail recover all.

Going through the Bible passage 1 Samuel 30 verse 1- end, we saw how David's camp was raided by the enemy and made away with all his belongings, on his return he was crying like one of us in this age, which was and still the usual nature of man after any lose, to be self-pitied, looking for others attention but unknown to them that none could lead to recovery of the stolen goods, you must **do something** to recover.

Statement of facts about the enemies

- Failure to do something will lead to them coming back after you
- Praying alone is not enough you need physical actions like the Israelites crossing the red sea
- The more you cry the farther the enemy
- Your crying will and cannot bring your stolen goods back
- You must be determined and ready to pursue, overtake and recover

To do something during recovery is to :-

- Stop crying after losing things
- Inquire of the Lord on what happened and why
- Be ready to go after the enemies
- Be ready to wage war
- Prepared for great recovery

In your case, after recognising that the enemies had stolen something, after praying, then prepare to launch aggressive war and campaign till you recover

- Come out of your comfort zone
- Have enough is enough attitude
- Be bold and courageous in your pursuit
- Don't listen to criticism
- Trust only in God as the only one who can direct your steps
- Believe that you will recover all

You will only know what to do when you call upon the Lord, the Lord will only answer you if you are on his side, meaning you must have made Jesus your Lord and personal saviour, walk daily by his side and feed on his words
