

Message: Thou art loosed

Text: Luke 13 verse 13

Bible Passage: Luke 13 verses 10- 17

According to the passage, a woman was under bondage for eighteen years, the kind of infirmity was the type that made her not to be able to rise up, it was a terrible attack that made her not to see the light but darkness, a situation that reduced her glory to nothing, it could also be termed a situation that took away her pride and gave her sorrow or you could say she was in gross pain for eighteen years. The sad thing about her infirmity was that the situation mastered her and resided within her for eighteen years not until one day when she encountered the miracle worker, who set her free from her bondage in accordance to the word of the Lord in John 8 verse 36 "if the son therefore shall make you free, ye shall be free indeed" Hear this beloved, shedding tears in times of trouble is a sign of submission to the enemies, your enemies will not let go by your tears and self-pity, the only language that your enemies understand is violence, asking for help from God almighty to war against the enemies.

I want you to pray violently like this

- Infirmities from my mother's womb die in the name of Jesus
- Powers supervising afflictions in my life I pull you down and cause you to die in the name of Jesus
- Attack from the pit of hell against my health scatter and be roasted to ashes in the name of Jesus

We are looking at a serious topic which is titled Thou art loosed, to be loosed is to be

- Set free
- Regain freedom
- Victorious
- Liberated
- Released
- Regain
- Let go
- Joyful
- Lifted up
- Made whole

When Jesus is the one setting you free, no other power, situations and forces can stop your deliverance, the woman was set free and she was able to stand upright again and celebrate. In addition all her enemies were put to shame, the same Jesus is here today to set you free from your infirmities of many years, put a new song in your mouth, cause you to celebrate and openly shame your enemies.

The message is in two folds, the first is to be set free from your infirmities while the other is to programme and prophesy good things into your life

- Infirmities and sicknesses of many years in my life I kill and remove you with the blood of Jesus
- Infirmities and problems that entered my life from my mother's womb Holy Ghost Fire x7 destroy them in the name of Jesus

Prayer for good things to appear in your life: the woman glorified God after the healing, in the same way your life must reflect the miracle working power of God, you must testify and glorify God

- Fresh anointing for great and mighty testimonies, success and achievements come upon me in the name of Jesus
- Father Lord give me a reason and testimony to celebrate today in the name of Jesus
- I entered into a new life, a life of good health, happiness, holy Ghost filled and laughter in the name of Jesus
