

Message: Make a joyful noise

Text: Psalms 100 verse 1

Bible Passage: Psalms 100 verses 1- End and Psalms 103 verses 1- end

There is a noise that is joyful, a noise of happiness, celebration and refreshing, The Bible says in Psalms 100 verse 1 that we should make a joyful noise unto the Lord, meaning our praises should be pleasing and like a sweet aroma unto the Lord, it also means we should not give God praises that are sorrowful, from bitter heart or that are not good enough.

What then is a joyful noise?

- Noise of celebration
- Noise of appreciation
- Noise of rejoicing
- Noise of Victory
- Noise of Happiness
- Noise of newness
- Noise of praises
- Noise of thanksgiving

Who are those that should make a joyful noise unto the Lord?

- Everything that has breath Psalms 150 verse 6
- Those who are appreciative
- Those who are hoping and trusting in God
- Believers who are waiting upon the Lord
- Those that the Lord has lifted up
- Those who knows who God is
- Those the Lord has healed
- Those the Lord has saved
- Those who are saved from the mouth of the Lion
- Those whom the Lord has visited
- Those that the Lord is their shepherd
- Those that the Lord has clothed with a new garment

When to make a joyful noise unto the Lord? Philippians 4 verse 4

- Always
- In all situations

- During plenty and famine
- Night and day
- Sunny and raining season
- Sickness and in health
- Poverty and in riches
- Laughter and in sorrow
- Increase or in decrease
- Lifted up or low

Why is God saying rejoice always?

Romans 8 verse 28, because all things worketh together for good to them that believe in God. Your situation is only temporary it will soon change. The calamity of Job was not forever, God turned it for good (double recovery) at his own time.

What must we do?

- Count your blessings daily and make a joyful noise unto the Lord
- Thank God for what is yet to do for you
- Thank God for what he will do at his own time
- Learn to appreciate God for everything
- Stop complaining
- Looking daily unto Jesus
