

Message: Escape from Herod

Bible Text : Job 5 verse 12

Bible Passage: Matthew 2 verses 1- end

In Job 5 verse 12, the Bible says “he disappointed the devices of the crafty so that their hands cannot perform their enterprise” also from our Bible reading we saw how Herod the evil king plotted or planned to kill baby Jesus, but the lord disappointed his plan. In today's service we shall be looking at what is titled escape from Herod

Who is the Herod that our children will escape?

1. Wicked, deadly and dangerous king
2. Envious ruler
3. Haters of light
4. Destiny killer
5. Deceitful king
6. Ungodly ruler
7. Soul destroyer
8. Eaters and drinkers of blood
9. Enemy of God
10. Silent waster

Failure to escape from Herod could be disastrous, Joseph had to take Jesus away to Egypt till the death of the killer. What this means is that some destinies will not manifest until certain people or entities are dead. The ministry of Jesus did not start until when Herod died. I'm praying for your children that all those plotting to kill them shall die like Herod in the name of Jesus, I'm praying again that all those contending with the destiny of your children shall be shamefully buried in the name of Jesus.

Escaping from Herod means:

There are two ways by which the children could escape from the Herod, first is to run from the presence of the evil king but the danger is they might be captured by the agents of this evil king and get killed.

Secondly is to hide under the shadow of the Almighty, this is a better way as any attempt to fight or touch your children under the shadow of the Almighty means Herod must fight and win God which is practically impossible.

For total escape we must lead our children to Christ, they need to know who Jesus is and accept him as their lord and personal saviour. Without them accepting Jesus as their lord and saviour it will be practically impossible for the lord to save them from the hands of Herod.
