**1 Peter 2:9 KJV** But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:

Darkness is bad, confusing and dangerous, the bible says in the scripture above that we are a chosen generation chosen to show forth the praises of him who hath called us out of darkness into his marvellous light.

Calling out of darkness into light means God is calling us out of

- poverty into riches
- bondage into freedom
- sickness into good health
- shame into honour
- valley to mountain top
- nothing to something
- darkness to light
- insult to fame
- death to life
- sorrow to laughter
- weakness to strength
- fear into sound mind
- single to double
- tragedy to liberty
- failure to success
- bitterness to sweetness
- lack to abundance
- tears to laughter
- loss to recovery
- blindness to sight
- rejection to acceptance
- slavery to palace
- hell to heaven

Double restoration is also God's way of calling us out of loss to restoration, beloved we should always remember to praise God for his mighty transforming power that is constantly changing our stories, remember also that you are chosen to praise him for his wonderful works in your life
