Nahum 1:9 KJV What do ye imagine against the Lord ? he will make an utter end: affliction shall not rise up the second time.

Judges 16:19 KJV And she made him sleep upon her knees; and she called for a man, and she caused him to shave off the seven locks of his head; and she began to afflict him, and his strength went from him.

Affliction which simply is pain, tragedy and sorrow are not good to the body, they can send a life to early grave, they can also make a shining star to become a beggar and also can make a man to sleep the sleep of shame just like Delilah made Samson to sleep and then afflicted him.....beloved afflictions can be inherited, it can be self made and can be caused by the enemies.

Sadly the soul of a man is the primary target of the enemies to afflict, as soon as the soul is afflicted the entire life will be grossly in pain. The only thing that can stop these pains is holy and aggressive prayers, if you are experiencing unexplainable pains in your body, home, marriage, career etc stop them with the following prayers.....
