By the word of God, all those monitoring your life, future and using diabolical means to enquire about your life shall run mad in the name of Jesus.

Isaiah 44:25 KJV That frustrateth the tokens of the liars, and maketh diviners mad; that turneth wise men backward, and maketh their knowledge foolish;

Diviners or hackers are the:-

- sorcerers
- star gazes
- palm readers
- witches and wizards
- marine agents
- fake pastors and prophets
- herbalists
- village elders
- those with evil eyes
- those with evil minds
- jealous and envious friends
- household wickedness

Hear how the online dictionary defined Divination, the art or practice that seeks to foresee or foretell future events or discover hidden knowledge usually by the interpretation of omens or by the aid of supernatural powers.

This tells you and I that a man's future can be hacked, with information stolen or destroyed..... Any man or woman using demonic forces to gain access into another man's life is called a **spiritual hacker**.

They steal, sell, destroy, tamper, disorganise the structure, they enslave, they blackmail, they sponsor fear, they put people in darkness and bondage and lastly they kill their victims....

These hackers can operate at anytime and anywhere. When a life is careless, going from one place to another seeker for miracles, the hackers will strike.

They have deployed so many devices into homes, communities and even the church, their mission is to enslave people.....

Spiritual hackers are so organised to the extent that they will use anything humanly possible to gain access into people's spiritual DNA...

Some of their devices are:

- Mind reading
- Summoning people's spirit to collect Information
- Dream hacking
- Cowries to open spiritual doors
- Charms.....
- Fake Visions
- Fake prophecies to make you open the door of your life
- Spiritual satellite
- Spiritual remote control.....

Glory be to God Almighty who has given us the grace and power to pull down, paralyse and destroy the activities, weapons, strategies and plans of these hackers through this 21 days programme titled **Victory over spiritual hackers**
