### Hymn: Pass me not o gentle saviour

**Genesis 31:4-7 KJV** And Jacob sent and called Rachel and Leah to the field unto his flock, [5] And said unto them, I see your father's countenance, that it is not toward me as before; but the God of my father hath been with me. [6] And ye know that with all my power I have served your father. [7] And your father hath deceived me, and changed my wages ten times; but God suffered him not to hurt me.

**Luke 17:12-19 KJV** And as he entered into a certain village, there met him ten men that were lepers, which stood afar off: [13] And they lifted up their voices, and said, Jesus, Master, have mercy on us. [14] And when he saw them, he said unto them, Go shew yourselves unto the priests. And it came to pass, that, as they went, they were cleansed. [15] And one of them, when he saw that he was healed, turned back, and with a loud voice glorified God, [16] And fell down on his face at his feet, giving him thanks: and he was a Samaritan. [17] And Jesus answering said, Were there not ten cleansed? but where are the nine? [18] There are not found that returned to give glory to God, save this stranger. [19] And he said unto him, Arise, go thy way: thy faith hath made thee whole.

The lepers were not interested in serving and following Jesus but were interested in his power and authority over all things, this will for the basis of the teaching the Lord has given us today which is the users and their tricks.

The users are those

- Interested in your gifts and not your friendship
- They call and smile with you only when they need something from you
- They don't love you but pretend to do so to gain access to you
- They are those with double characters
- You are not their choice, only attracted to you because of what you have and they need, they will decamp and go their own way when they are done with you.
- They are heartless and have no shame, for as long as they are using you they will still be coming back.
- They will never greet you to check on you but only when they want something from you
- They smile and give you fake attention when they see something in your hand.
- They will never return to appreciate you

Their tricks are

- Fake laughter
- Emotional blackmail
- Eye service
- Fake humility and over friendly
- Prior to using you they will call and start a funny discussion with you.

The users are

- Thieves using deceit to Rob
- They are wasters, wasting peoples time
- They are emptier
- They are dangerous destroyers

Beloved if you are not filled with Holy spirit and discerning spirit you will not be able to know who they are... are you a user or true follower of Christ? Are you serving God because of what you want and need or serving him because he is worthy to be praised.....
